Dear Parents,

It feels good to have children back in school and seeing the happy faces and loud cheers at school has reiterated why offline school has been hard to replace even with the internet and screens trying their very best.

While most newspapers and reports have focussed on the learning losses amongst children in India, little has been said about the loss in fitness and camaraderie due to the lockdowns. Keeping this in mind St. Mary's School has decided to start Basketball and Football coaching from May 9th 2022. for classes 1-3 and 4-8 in two batches each week. Each child will receive thirteen, two hour sessions every month which works out to twenty six hours total per month.

There are limited slots available for coaching in each sport - a session will only be able to accommodate 25 children to ensure attention and focus to each child over the two hour session. Coaching will focus heavily on conditioning, endurance, games and technical skills. Since the slots are limited, the registration will be done on a first come first served basis.

The fees are fixed at Rs. 4000 per month for the sport their child is interested in, this works out to a little more than Rs. 150 an hour for the twenty six hours of coaching each month. Interested parents please ask your child to pick up the registration form from the school office and return it with your deposit to complete your registration. Alternatively, parents can visit the school office, fill in the form and return it to the accounts office.

Classes will happen thrice a week. The coaching schedule is given below:

	Timing	Football	Timing	Basketball
Monday	4:30-6:30pm	Class 1-3	4:30-6:30pm	Class 4-8

Warmly,
