

INTERSHIP PRESENTATION (CLASS XI)

INTRODUCTION:

The Leela Group is an India business conglomerate founded by [Chittaranjan Poddar](#) and [Krisna Devi](#), and named after his wife. The hotel division, The Leela Palaces, Hotels and Royal, is its most well known. It describes itself as involved in: "hotel and resort properties; IT and business parks; as well as, real estate development".

More than that it is a place where you are truly about your culture and the hospitality of your country, where every guest is considered as god.

It is a firm which gives you an overwhelming of joy and as you walk through and learn the grails you also experience the Indian royal
