

St. Mary's School, SJ Enclave

Dear Parent,

I am delighted to inform you that the school has collaborated with **Orahi LOCATE** - India's leading trusted & multi-awarded mobility app to enable you to **track your child's school bus** on your smartphone with the help of the mobile application.

Features of the ORAHI mobile application are:

- a) The app will allow you to see **live location** of your child's school bus on your smartphone (supports both Android and iOS).
- b) You will also **receive smart notifications whenever the bus reaches a stop** (including yours). Also, when the bus reaches or leaves the school, you shall receive a notification.
- c) For extended safety and security, the service will **ONLY** be available on Parent's Mobile numbers registered with the school.
- d) **For any assistance you may contact support HELPLINE number @ 9821481061 or Email at cs@orahi.com.** In case, you raised some issues/concerns regarding the expected functionality of the app, and Orahi is not able to resolve it within a duration of maximum as settled in the agreement, Orahi will refund the complete amount paid in advance at the time of subscribing the service for the remaining period.

Installation

To start, download "Orahi LOCATE" app, click on the **link in the SMS** sent by School to your numbers. Once installed, the app will show you 2 groups - "PICKUP Route" and "DROP Route" of your ward. In each group, you will see the current location of the bus & planned route stops.

Please click on the link below to download the app and start using the service:
