# Welcome to the World of Work

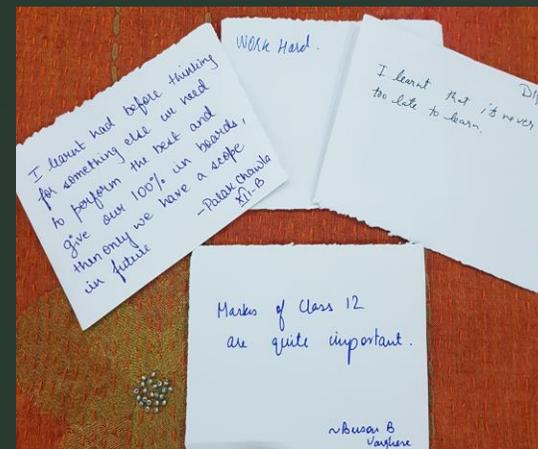

- Profession- Senior Metro Station Controller/ Train Operation

Mr. Nishant is an enthusiastic alumnus of St. Mary's School. Having done B.Tech in mechanics and automobile from Indraprastha University, he was well placed through campus placement. However this was not enough for him. He had the zest and zeal to do something different and unique, a job that would give him the thrill he had been seeking. After passing a Govt. based examination and clearing their interviews he got his dream job of being a Metro Pilot. Today he is at a post of a Senior Metro Station Controller/ train operations. He has been in this profession for the past 5 years.

# Snippets from the event

“ Before thinking about anything else we need to first give our 100% in boards and then focus on entrances”  
- Palak Chawla

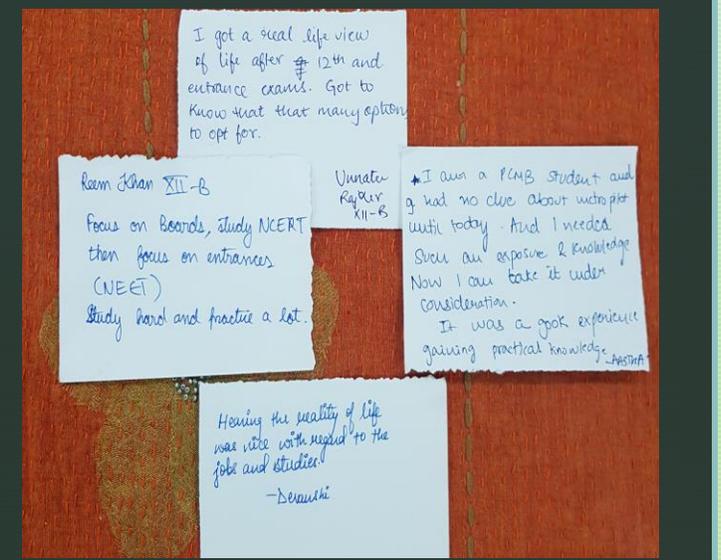

“We need to work hard to be able to achieve our dreams”

“Its never too late to learn”  
- Dipanshu

“Our board marks are quite important”  
-Benson

“I got a real life view of how the world of work is after XII”  
-Unnati

Study hard and practice as  
much as you can”  
- Reem

“It was a great experience  
gaining practical knowledge”  
-Aastha

“Hearing about the reality of  
life with regard to  
employment and having  
options has opened my  
eyes”  
-Devanshi

“ Learning about this profession was great as I had no idea of having such an option before”  
-Vipash

“This job is certainly not as easy as it may seem”  
-Retika

“Sir was an extrovert with great life knowledge. I am truly motivated”

- “The coaching people tell us to focus on entrances and the school asks us to focus on boards. Through this session I realized that class XII boards are the first milestone in achieving anything further. This is my promise to myself and St. Mary’s that I will focus on boards and make them proud by giving my best”

- -Kushboo

- - “Practical Knowledge of life and what one can do after becoming an engineer”

-Krtika

“The sky is the limit”

- “Work hard and don’t neglect board exams”

-Gauri
