04.04.2020

Dear Parents,

Please note that St. Marys School has partnered with HDFC bank to make your fee deposits easier by adding the payment gateway to our school website stmarysdelhi.org .

All parents would have received an email from HDFC Bank through their fintech partner gfixinfo.com. Parents have the option to sign up on the portal using the user name and password provided on the email or can continue without doing so by depositing their fees directly through the school website.

All fees would have to be paid on a quarterly basis so as to aid in the smooth functioning of the school. A monthly payment option is only available to parents who are unable to pay quarterly fees and such parents will have to write an email to the school accounts office for approval.

Parents who have already deposited cheques in the school prior to the lockdown, as well as parents who are on the ECS mode of payment, can either continue with their current setup or write to the school on the email ID accounts@stmarysdelhi.org if they wish to shift to the online payment option.

We hope that our children are making full use of the online material being prepared by our teachers and that your family and loved ones continue to be safe during this unfortunate period we are all going through.

Health, Happiness and Peace

Principal
St Mary's School
